Independent Auditor's Report

To the Board of Directors of
The University of Tennessee Foundation, Inc.
Knoxville, Tennessee

Report on the Financial Statements

We have audited the accompanying financial statements of The University of Tennessee Foundation, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2016, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The University of Tennessee Foundation, Inc. as of June 30, 2016, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 31, 2016, on our consideration of The University of Tennessee Foundation, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering The University of Tennessee Foundation, Inc.'s internal control over financial reporting and compliance.

Notes to Financial Statements

June 30, 2016

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and Nature of Activities

The University of Tennessee Foundation, Inc. (the "Foundation") is a not-for-profit organization exempt from federal income tax under Section 501 (c) (3) of the Internal Revenue Code. The Foundation was formed to support The University of Tennessee (the "University") and to provide flexibility for the University in carrying out its mission of teaching, research, and public research. The Foundation receives contributions from individuals, corporations, alumni, and other donors. The Foundation also conducts the development and alumni affairs operations for the University.

Basis of Presentation

The financial statements have been prepared on the accrual basis of accounting, and accordingly, reflect all significant receivables, payables, and other liabilities. The Foundation reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Income Tax Status

The Foundation is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. In addition, the Foundation qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization other than a private foundation under Section 509(a)(1).

The Foundation follows the provisions of FASB ASC 740-10-25. Under this standard, an organization must recognize that tax benefit associated with tax taken for tax return purposes when it is more likely than not the position will be sustained. The implementation of this standard has had no impact on the Foundation's financial statements. The Foundation does not believe there are any material uncertain tax positions and, accordingly, it will not recognize any liability for unrecognized tax benefits. For the year ended June 30, 2016, there were no interest or penalties recorded or included in its financial statements.

The University of Tennessee Foundation, Inc.

**Notes to Financial Statements
(Continued)**

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Cash and Cash Equivalents

Cash and cash equivalents consist of demand deposit accounts and other instruments that are readily convertible to cash.

Unconditional Promises to Give

Unconditional promises to give, less an allowance for doubtful accounts, are recognized as contribution revenue in the period received. Conditional promises to give are recognized when the conditions on which they depend are substantially met. Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flow.

Investments

Investments are recorded on the date of contribution and are stated at fair value. Fair values are determined by national securities exchanges, other active markets, or assumptions utilized by asset managers. Unrealized gains and losses are determined by the difference between market values at the beginning and end of the year. These amounts are included in the change in net assets in the accompanying statement of activities.

The Foundation's policy regarding investment income and realized and unrealized gains and losses for temporarily and permanently restricted assets is to record such revenues as unrestricted support to the extent that restrictions are met in the same reporting period.

Other Assets - Property

Purchased property is capitalized at cost. Donations of property are recorded as contributions at their estimated fair value as determined by appraisal. Such donations are reported as unrestricted contributions unless the donor has restricted the donated asset to a specific purpose.

Compensated Absences

Pursuant to the Employment Services Agreement (discussed at Note 9), the Foundation leases employees from the University for the development and alumni affairs operations.

The University of Tennessee Foundation, Inc.

**Notes to Financial Statements
(Continued)**

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Compensated Absences (Continued)

These employees accrue annual leave at varying rates, depending on length of service. Some employees also earn compensatory time. Generally, all permanent full-time employees and certain part-time employees are entitled to accrue and carry forward calendar year maximums of 42 days annual vacation leave. The amount of these liabilities and their related benefits are reported in the statement of financial position.

Contributions

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence or nature of any donor restrictions.

The Foundation reports gifts of cash, donated property and all other assets as unrestricted support unless explicit donor stipulations limit the use of the donated assets. When a donor restriction expires, that is, when the stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Donated gifts are recorded at fair value at the time of donation and are reported as restricted support if it is received with donor imposed restrictions.

Donated Facilities and Services

Donation of rent, including utilities, cleaning, security and maintenance, and technology and accounting services as provided by the University of Tennessee to the Foundation are recorded at their estimated fair values on an annual basis. The estimated value of these in-kind contributions for the year ended June 30, 2016 totaled \$2,073,556.00 and is included in unrestricted contributions and other general and administrative expense in the Statement of Activities.

Date of Management's Review

Subsequent events were evaluated through October 31, 2016, which is the date the financial statements were available to be issued.

The University of Tennessee Foundation, Inc.

**Notes to Financial Statements
(Continued)**

2. UNCONDITIONAL PROMISES TO GIVE

Unconditional promises to give are summarized below, net of the allowance for doubtful accounts:

	<u>Temporarily Restricted</u>	<u>Permanently Restricted</u>
Current (within one year)	\$ 12,387,494.98	\$ 3,603,185.32
Due in one to five years	33,882,680.39	39,433,837.62
Due after five years	<u>6,935,975.11</u>	<u>18,603,133.32</u>
	53,206,150.48	61,640,156.26
Less discounts to net present value	<u>(1,170,410.84)</u>	<u>(2,313,900.02)</u>
Total unconditional promises to give, net	<u>\$ 52,035,739.64</u>	<u>\$ 59,326,256.24</u>

The allowance for doubtful accounts at June 30, 2016 was \$725,866.41. Interest rates used in the determination of present value discounts range from 0.649% to 1.271%.

Permanently restricted promises to give are considered endowment funds by the Foundation.

The University of Tennessee Foundation, Inc.

**Notes to Financial Statements
(Continued)**

3. INVESTMENTS

Investments held at June 30, 2016 were as follows:

	Fair Value	Cost
Endowment funds:		
Held by the University:		
Cash	\$ 2,216,454.69	\$ 2,216,454.69
US Equity	3,084,442.59	2,751,979.97
International Equity	32,858,554.84	37,702,903.96
Fixed Income	17,059,511.33	18,762,900.53
Alternative Investments:		
Private Equity	19,230,599.45	20,022,408.74
Natural Resources	19,139,581.44	22,895,893.30
Real Estate Investments	6,171,230.09	4,709,865.04
Hedge Funds	35,676,228.80	31,763,075.39
Total held by the University	135,436,603.23	140,825,481.62
Held by the Foundation:		
Cash	380,676.35	380,676.35
Equities	985,974.16	894,134.28
Total held by the Foundation	1,366,650.51	1,274,810.63
Total endowment funds	136,803,253.74	142,100,292.25
Other investments:		
Liquid investments held by the University:		
Cash Management Pool (cash equivalents, debt securities and U.S. agencies)	69,121,211.97	69,121,211.97
FTN Public Funds account	18,000,000.00	18,000,000.00
Liquid investments at financial institution	3,501,731.34	3,501,731.34
Gift annuity program:		
Cash	117,493.48	117,493.48
Equities	3,270,191.91	3,286,388.31
Fixed Income	2,591,199.54	2,614,727.02
Total gift annuity program	5,978,884.93	6,018,608.81
Total other investments	96,601,828.24	96,641,552.12
Total investments	\$ 233,405,081.98	\$ 238,741,844.37

At June 30, 2016, the fair values of investments in alternative investments are based on valuations for which a readily determinable fair value does not exist. These investments are not listed on national exchanges or over-the-counter markets, and quoted market prices are not available. The fair value of these investments is estimated based on a review of all available information provided by fund managers and general partners. These estimates are evaluated on a regular basis and are susceptible to revisions as more information becomes available.

The University of Tennessee Foundation, Inc.

**Notes to Financial Statements
(Continued)**

3. INVESTMENTS (Continued)

Endowment Funds

The Foundation's endowment funds consist of investments held by the University, investments held by the Foundation and permanently restricted unconditional promises to give. The majority of the Foundation's invested endowment funds are invested in the University of Tennessee Consolidated Investment Pool (CIP). These funds are invested according to the policies of the University. A portion of the earnings from these funds are provided to the University to be used as stipulated in the endowment agreements. The cost and fair value for these endowment funds were \$140,825,481.62 and \$135,436,603.23, which resulted in a cumulative unrealized loss of \$5,388,878.39. One endowment is separately invested by the Foundation. The cost and fair value for this endowment was \$1,274,810.63 and \$1,366,650.51 which resulted in a cumulative unrealized gain of \$91,839.88. All endowments at the Foundation are donor restricted. Endowment earnings transferred to the University were \$5,097,842.85 for fiscal year 2016.

The Foundation has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result, the Foundation classifies permanently restricted net assets as (1) the original value of gifts to the endowment, (2) the original value of subsequent gifts to the endowment, (3) accumulations to the endowment made in accordance with the gift instrument until the endowment is vested in the CIP. Below is a schedule of endowments by fund type:

	Unrestricted	Temporarily Restricted	Permanently Restricted	Total
Beginning balance	\$ -	\$ 3,525,623.37	\$ 164,527,070.32	\$ 168,052,693.69
Contributions received	-	-	31,923,690.55	31,923,690.55
Transfers to endowments	-	-	5,016,692.80	5,016,692.80
Investment earnings	4,010.07	5,121,594.25	106,940.90	5,232,545.22
Net gain/loss	(5,267,147.84)	(3,553,145.81)	(36.75)	(8,820,330.40)
Disbursements	(4,010.07)	(5,094,071.81)	-	(5,098,081.88)
Ending balance	<u>\$ (5,267,147.84)</u>	<u>\$ -</u>	<u>\$ 201,574,357.82</u>	<u>\$ 196,307,209.98</u>

From time to time, the fair value of assets associated with individual donor restricted endowment funds may fall below the level that the donor or UPMIFA requires the Foundation to retain as a fund of perpetual duration. In accordance with GAAP, deficiencies of this nature are reported in unrestricted net assets.

Historically, the University has calculated its spending policy distributions by taking 4.5% of a three year market average each December 31. Beginning in fiscal year 2016, the University will begin the transition to a seven-year moving average, by adding one year's value to the moving average calculation. This transition will be complete beginning with fiscal year 2019.

The University of Tennessee Foundation, Inc.

**Notes to Financial Statements
(Continued)**

3. INVESTMENTS (Continued)

Endowment Funds (Continued)

The assets are to be managed in a manner that will meet the long-term investment objective, while at the same time attempting to limit the volatility in year-to-year spending.

The University's Investment Advisory Committee believes that investing in securities with higher return expectations outweighs their short-term volatility risk. As a result, the majority of assets will be invested in equity or equity-like securities. Fixed income securities and other low volatility strategies (e.g. absolute return hedge funds) will be used to lower the short-term volatility of the portfolio and to provide stability, especially during periods of negative equity markets. Cash is not a strategic asset of the portfolio, but is a residual to the investment process and used to meet short-term liquidity needs.

Disciplined management of the asset allocation is necessary and desirable. Diversification of investments among assets that are not similarly affected by economic, political, or social developments is highly desirable. The general policy shall be to diversify investments so as to provide a balance that will enhance total return, while avoiding undue risk concentrations in any single asset or investment category.

Actual asset allocations were as follows at June 30, 2016:

Cash	1.5%
US Equity	2.2%
International Equity	24.3%
Fixed Income	12.6%
Alternative Investments:	
Private Equity	14.2%
Natural Resources	14.1%
Real Estate Investments	4.6%
Hedge Funds	26.5%

The Investment Advisory Committee is responsible for adopting the provisions of the Investment Advisory Committee Charter. This responsibility includes advising the Treasurer on the investment strategy, asset allocations, and spending rates; the hiring and firing of investment managers, custodians and investment consultants; and monitoring performance of the investment portfolio on a regular basis (at least quarterly). The Committee will maintain sufficient knowledge about the portfolio and its managers so as to be reasonably assured of their compliance with the Policy and Charter. The committee is comprised of the President of the University of Tennessee, Chair of the Finance and Administration Committee of the Board of Trustees, the Treasurer, Chief Financial Officer, President of the University of Tennessee Foundation, a Member of the University of Tennessee Foundation board of directors, and four at large members elected by the committee. The plan consultant is Fund Evaluation Group headquartered in Cincinnati, Ohio.

3. INVESTMENTS (Continued)

Endowment Funds (Continued)

The total fair value for the CIP at June 30, 2016 was \$819,962,583.37.

The total cost of the CIP at June 30, 2016 was \$752,841,491.72.

Gift Annuity

In May 2008, the Foundation launched its own gift annuity program. The Foundation has placed \$500,766.11 as a reserve for the annuity program. By June 30, 2016, the Foundation has executed 56 gift annuity contracts totaling \$5,876,891.06 with three annuity contracts maturing. The funds are held in trust at First Tennessee Bank and invested. The fair value for the invested gift annuities and reserve at June 30, 2016 was \$6,018,608.81 which resulted in a cumulative unrealized gain of \$39,723.88. The investments consist of cash, equity index funds, and fixed income funds.

Fair Value Measures

The Foundation follows the provisions of FASB ASC 820-10, which defines fair value, establishes a framework for measuring fair value under accounting principles generally accepted in the United States, and enhances disclosures about fair value measurements.

FASB ASC 820-10 establishes a framework for measuring fair value and a three-level hierarchy for fair value measurements based upon the inputs to value the assets and liabilities. The classification of assets and liabilities within the hierarchy is based on whether the inputs to the valuation methodology used for measurement are observable or unobservable. Observable inputs reflect market-derived or market-based information obtained from independent sources while unobservable inputs reflect estimates about market data based on the best available information in the circumstances. The three levels are defined as follows:

Level 1 – Quoted prices (unadjusted) in active markets for identical assets or liabilities that the Foundation has the ability to access.

Level 2 – Significant other observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities in active markets, quoted prices in markets that are not active and other inputs that are observable or can be corroborated by observable market data.

Level 3 – Significant unobservable inputs that reflect management's assumptions that market participants would use in pricing an asset or liability.

3. INVESTMENTS (Continued)

Fair Value Measures (Continued)

The table below presents the recorded amount of assets and liabilities measured at fair value:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Investments	<u>\$ 133,536,731.33</u>	<u>\$ 19,650,710.87</u>	<u>\$ 80,217,639.78</u>	<u>\$ 233,405,081.98</u>

The table below presents additional information about assets and liabilities measured at fair value on a recurring basis by reliance on Level 3 inputs to determine fair value.

Beginning balance	\$ 63,058,623.85
Total realized and unrealized gains and losses included in earnings	(3,023,154.19)
Purchases, issuances and settlements	<u>20,182,170.10</u>
Ending balance	<u>\$ 80,217,639.76</u>

4. OTHER ASSETS

During the year, the Foundation received one contribution of real property totaling \$78,000.00. The Foundation sold three pieces of property during the fiscal year. At June 30, 2016, the Foundation held the following gift property received during the year: real estate located in Spartanburg County, South Carolina appraised at \$78,000.00.

At the beginning of the fiscal year the Foundation included the gifts of the remainder interest in a limited liability company (LLC) in their temporarily restricted unconditional promises to give. The LLC consists of a fee simple interest in warehouse facilities in South Carolina. The Foundation's remainder interest was valued at \$7,740,000 at the time of contribution in December 2002, with the interest vesting on January 1, 2021. The value reported by the Foundation was the present value of this amount until the vesting date. The interest rate used in the determination of present value was 4.00%. The present value of the remainder interest at June 30, 2015 was \$2,907,074.78. During March 2016 the Foundation negotiated a termination of the remainder interest in the LLC with the donor through the purchase of the sole interest in the LLC. The Foundation contracted for the performance of an appraisal of

The University of Tennessee Foundation, Inc.**Notes to Financial Statements

the LLC's underlying asset, the warehouse facilities; prior to the completion of the purchase of the sole interest in the LLC. The Foundation valued the warehouse facilities as of the purchase closing date of May 2, 2016 based on the property's valuation appraisal at \$11,000,000.00 and this amount is included in other assets in the Foundation's statement of net position as of June 30, 2016. The termination of the remainder interest agreement resulted in an unrealized gain totaling \$1,439,884.02 that is included in net realized/unrealized gains and losses in the statement of activities. The above transaction was facilitated by a loan from a local financial institution in the amount of \$7,500,000.00 as discussed in Note 8.

The Foundation has received the following gift property located in Tennessee in prior years: residential property in Sequatchie County appraised at \$60,000.00, twenty subdivision lots in Grainger County appraised at \$35,000.00, commercial property in Monroe County appraised at \$1,700.00, residential property in Monroe County appraised at \$279,680.00, two residential lots in Knox County appraised at \$177,700.00, residential property in Roane County appraised at \$75,000.00, residential property in Memphis appraised at \$35,000.00, residential property in Cumberland County appraised at \$30,000.00, residential property in Madison County appraised at \$40,000.00, residential property in Brunswick County, North Carolina appraised at \$299,000.00 and other property in Weakley County and Obion County appraised at \$376,000.00.

5. OFFICE SPACE AND SERVICES AGREEMENTS

The Foundation entered into a lease agreement on July 1, 2010, with the University for office space and services at the University of Tennessee Conference Center. Minimum lease payments are \$20,016.00 per year over the lease term with the lease ending June 30, 2015 with a 5 year option. On June 30, 2015 the lease was extended through March 31, 2016. This agreement ended during the current year. The Foundation entered into a new agreement for office space and services (parking, mail services, interior maintenance and custodial services, exterior maintenance to facilities and parking areas, security, etc.) at 1525 and 1610 University Avenue prior to the ending of the old agreement discussed above. The new agreement required the Foundation and the University of Tennessee Alumni Association to fund the purchase of furniture, fixtures and equipment not to exceed \$315,000 for the new leased facilities. The University committed to assist with these expenditures by contributing \$117,880.00 from their capital campaign funds. The new agreement term is for the life of the facilities in perpetuity until the Foundation voluntarily vacates the facilities or the Foundation and the University mutually agree upon other office space and services arrangements. The agreement requires payments in the amount of \$1,668.00 per month or \$20,016.00 annually. The agreement stipulates there will not be an increase in the annual amount for the initial five years of the agreement. The total rent expense paid to the University during the fiscal year ending June 30, 2016 totaled \$20,016.00.

The University of Tennessee Foundation, Inc.

6. RESTRICTED NET ASSETS

Temporarily restricted net assets are available for scholarships or other academic purposes, real estate, support for University construction, artwork, and contributions for the farm lease payment. Total temporarily restricted net assets at June 30, 2016 were \$144,389,960.48.

Permanently restricted net assets are available for scholarships or other academic purposes. Total permanently restricted net assets at June 30, 2016 were \$201,574,357.82.

Temporarily restricted and permanently restricted net assets consisted of the following categories as of June 30, 2016:

	Temporarily Restricted	Permanently Restricted
Other	\$ 27,859,634.70	\$ 16,601,518.92
Academic Support	22,307,739.07	44,112,002.92
Library	3,175.64	519,380.02
Research	10,013,121.42	3,239,238.35
Instruction	11,864,995.70	75,593,009.31
Public Service	3,202,312.85	10,740.88
Institutional Support	17,347,456.13	7,750,179.88
Student Services	730,628.56	-
Athletics	3,025,162.76	1,899,822.18
Capital Projects	28,083,240.03	-
Physical Plant	13,346,930.97	-
Scholarships and Fellowships	6,605,562.65	51,848,465.36
Net Assets	\$ 144,389,960.48	\$ 201,574,357.82

7. CONCENTRATION OF CREDIT RISK

The Foundation had concentrated its credit risk for cash and liquid investments by maintaining deposits at banks and a credit union, which may at times exceed amounts covered by insurance provided by the U.S. Federal Deposit Insurance Corporation (FDIC) or by the U.S. National Credit Union Administration (NCUA). The credit union has provided the Foundation excess deposit insurance coverage for cash or liquid investment amounts exceeding the NCUA account coverage limits. The Foundation has not experienced any losses in these accounts and believes it is not exposed to any significant credit risk to cash or liquid investments.

The Foundation has a master repurchase agreement with a bank where at the end of each day cash is invested in overnight securities and the securities are repurchased by the bank the next day. The Foundation purchases the securities in its name. The Repurchase Agreement Account with the bank is not insured by FDIC insurance, but rather the bank provides the securities purchased as the underlying security for the Repurchase Agreement Account. The Repurchase Agreement Account with the bank as of June 30, 2016 totaled \$6,239,331.58 and this amount is included in cash and cash equivalents in the Statement of Net Position.

The University of Tennessee Foundation, Inc.

**Notes to Financial Statements

8. NOTES PAYABLE

Note payable, dated January 2006, due in monthly installments of principal and interest of \$2,000.00. This note bears interest at 4.68%. This note is secured by real property in Weakley County and Obion County, Tennessee. Total interest charged to expense during the year was \$4,885.69.

Maturities of this note in each future fiscal year are as follows:

2017	\$16,624.97
2018	20,823.27
2019	21,818.97
2020	22,862.29
2021	<u>11,837.85</u>
 Total	 <u>\$93,967.35</u>

Note payable, dated April 29, 2016, to a credit union totaling \$7,500,000.00 due in full at maturity on November 15, 2017 bearing interest at 3.77% per annum was executed during the Foundation's fiscal year ending June 30, 2016. The Foundation is required to pay accrued interest monthly until the maturity date. For the year ending June 30, 2016 the Foundation had paid interest on the note of \$23,239.73 and a loan origination fee of \$28,125.00. This note payable was used to finance the purchase of the sole interest in an LLC whose sole asset was warehouse facilities in Edgefield County, South Carolina. The purchase resulted in the termination of a prior remainder interest agreement as discussed in Note 4. The note payable is secured with a money market cash account with the credit union totaling \$3,501,726.24.

9. DEVELOPMENT AND ALUMNI AFFAIRS OPERATIONS

On July 1, 2011, the University transferred its development and alumni affairs operations to the Foundation. Pursuant to the University's Board of Trustees and the Foundation's Board of Directors approval and the enabling legislation, *Tennessee Code Annotated*, Section 49-9-113, the University and the Foundation signed an Affiliation and Services Agreement and an Employee Services Agreement to affect the transfer.

The University of Tennessee Foundation, Inc.

Notes to Financial Statements
(Continued)

9. **DEVELOPMENT AND ALUMNI AFFAIRS OPERATIONS (Continued)**

Affiliation and Services Agreement – the University and the Foundation agreed that all gifts, unless directed otherwise by the donor, be deposited into the Foundation bank account and that the University pay the Foundation direct support and a 100 basis point endowment assessment fee (less investment expenses) as compensation for performing the fundraising function. The direct support amount is to be reviewed every two years, and the Foundation President and Chief Executive Officer coordinates fundraising goals and objectives of the Foundation with the University. For FY 2016, the University provided the Foundation direct support of \$20,681,911.00 and endowment assessment fees of \$7,037,836.00.

Employee Services Agreement – the Foundation has paid to the University the amounts incurred by the University to pay the direct expenses relating to the Development and Alumni Affairs employees, including wages, salaries, and fringe benefits. These payroll expenses totaled \$21,909,749.40.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND
ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS
PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Directors of
The University of Tennessee Foundation, Inc.
Knoxville, Tennessee

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of The University of Tennessee Foundation, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2016, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 31, 2016.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Foundation's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control. Accordingly, we do not express an opinion on the effectiveness of the Foundation's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Foundation's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Foundation's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Foundation's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

A handwritten signature in black ink that reads "Brown Lake & McDaniel, PC". The signature is written in a cursive, flowing style.
